**ON PETITION**

**Corrected Decision:**

This is a corrected decision on the petition filed January 30, 2004, to accord the above-identified application a filing date of October 14, 2003.

The petition is **granted**.

The prior decision, due to a typographical error, granted a filing date of October 24, 2003, to the application rather than October 14, 2003. This decision is intended to correct the record and to instruct the Office of Initial Patent Examination to give the application a filing date of October 14, 2003.

The Application is being returned to the Office of Initial Patent Examination for further processing with a filing date of October 14, 2003, using the application papers filed on October 14, 2003, and the corrected drawings filed on April 7, 2004.
